## PERSONALS

Charles Cross, of Armore, Okla., was in the city Saturday visiting with friends. Mr. Cross, who formerly resided here, has been in Mannington for the last five weeks, on account of the serious illness of his mother, Mrs. Cross, who is improving rapidly now, and will accompany her son to Oklahoma when strong enough for the trip.

Mr. and Mrs. George E. Miller will spend a part of the week in Charleston, preparatory to moving there in the near future.

Mr. and Mrs. S. S. Cochran have returned from Rochester, Pa., where they were called by the death of the former's mother.

Mr. and Mrs. Homer Hall have returned from a brief visit in Wheeling. Wayne Shuttlesworth, who attends the West Virginia university at Morgantown, spent the week-end here with his mother, Mrs. Myrtle Shuttlesworth.

Miss Ruth Merrifield spent Saturday in Morgantown, the guest of Miss Maude Kiger.

Miss Vinna Boydson spent the week-end in Annabelle with her sister, Mrs. H. C. Moore.

Mr. and Mrs. Ira Smith went to Morgantown Saturday where they were the guests over Sunday of the former's parents, Dr. and Mrs. J. A. Cox.

Miss Blanche Henry has recovered from a two week's illness at her home in Loop Park.

Mr. and Mrs. D. F. Ramage spent Sunday in Morgantown with their daughter, Mrs. Homer Williams.

John S. Hamilton, who accompanied the body of his wife here from Boise City, Idaho, last week, left for his home this afternoon. His sons, Harold and Edgar, who accompanied him here, remained for a longer visit with relatives.

Mrs. Joseph Jones, a patient at Cook hospital, is very ill.

Miss Virginia Cook returned Saturday from Pittsburgh, where she had been for several weeks under the care of a specialist, Dr. Silver. Miss Cook is much improved.

W. F. Davis, who had been at Johns Hopkins hospital in Baltimore for a week, has returned home. Mr. Davis, who is employed with the American laundry, has been suffering from an injured shoulder.

Mrs. W. H. Spragg left Saturday night for Washington, D. C., where she has joined Mr. Spragg, who has recently bought an interest in a furniture store.

Mr. and Mrs. D. M. Osgood will move to the W. H. Spragg property on Ogden avenue, just vacated by Mr. Spragg and family.

Mrs. Thomas Hall has returned from Dade City, Fla., where she was called by the illness and death of her father, Thornton Fleming. She was accompanied to Gratton by her sister, Mrs. H. F. Church, who accompanied her to the south.

Miss Hannah Johns left Saturday for her home at Warren, O., to spend a week with her parents, Mr. and Mrs. John Johns.

Miss Harriett Peck left Saturday for her home at Salem to spend several days.

## Forty One Years in the Priesthood

Rev. Father Boutlou, rector of the St. Peter's Catholic church, yesterday celebrated the forty-first anniversary of his ordination into the priesthood. He was ordained in France. No special observance marked the day as the congregation were unaware until yesterday that the anniversary was at hand. At the early service in the morning the children of the church were given communion in a body in honor of the occasion.

During the day Father Boutlou received many calls from his parishioners who called to congratulate him and wish him many years of usefulness in his chosen work.

## Heart Rheumatism Fatal to Young Girl

Daisy Bell Deltz, aged 12 years, daughter of J. C. Deltz and a granddaughter of George M. Lilley, died Sunday at Cook hospital from rheumatism of the heart. She had been in the hospital for less than a week. The child's mother, who was formerly Miss Libby Lilley, died several years ago. She was a member of the Miller school and was well-known throughout the city.

Funeral services will be held on Tuesday afternoon at 2 o'clock from the residence on Washington street and interment will be made in Woodlawn cemetery by Undertaker Cunningham. Mr. Deltz, father of the young girl, is in the employ of the C. & O. railroad.

## Washington Birthday Luncheon.

Mrs. Patrick M. Hoge and Mrs. Theodore Workman were hostesses at a George Washington Birthday luncheon on Saturday at the home of Mrs. Workman, on Fairmont avenue, the event being the second of a series of entertainments which the two hostesses have given in the last week.

The national colors, red, white and blue, were combined in an attractive decorative scheme, culps forming the floral decoration. Place cards and favors were in keeping with the general idea. Assisting the hostesses in entertaining were Mesdames Tusca Morris, Clarence Hall and R. M. Hite.

## Entertained Class.

Miss Leola Menden entertained the members of the Hope Mission band on Saturday afternoon at her home on Walnut avenue. Refreshments were served following the program.

## Home From Visit.

The Misses Martha Hutchinson and Susan Arnett, who had been the guests of Miss Juliette Rathbone in Parkersburg for two weeks, returned home Saturday. They were accompanied by Miss Rathbone, who will spend the next two weeks here as their guest. She is now at the home of Miss Arnett and will spend next week with Miss Hutchinson.

## Financial Success.

The net proceeds of the Rose ball, a charity event at the Country club on St. Valentine's day, amount to \$111.69. The event was given by the Thursday Bridge club and the proceeds will be used in redecorating and furnishing the sun room at Cook hospital. The fund is still open to contributors, who should send contributions to Mrs. John Rock, treasurer of the club.

## BITS OF STATE NEWS

H. A. Grant, Ravenswood man who has recently taken a position with an eastern insurance company working in the Charleston field, is one of the few men that have held as few as three positions in nearly forty years. Thirty-seven years ago, said Mr. Grant yesterday, to a Charleston Post man, he went into the employ of the government printing office at Washington. After serving there a number of years he took up fraternal insurance, which he worked until last week, when he signed a contract to work for his third employer.

William A. Wallace butchered his big Poland-China hog at his home near Union, Monroe county, February 8. The net weight of the great porker was 325 1/2 pounds—its gross weight 380 pounds. One of the hams weighed 89 pounds. This, says the Union Watchman, was probably the largest hog in West Virginia. His age was 3 years and 6 months, and he was bought when a pig from B. L. Noel's herd near Gap Mills.

According to the Tyler County News Middlebourne, Tom D. Gorbey returned from his extensive trip overland to the world's fair at San Francisco. Tom and Mrs. Gorbey left Middlebourne last October, making the trip in a Ford car. They landed in California all right, visited the exposition and many points of interest on route, and later drove the car back to Oklahoma, where it was shipped to Cincinnati. Tom left Tuesday for Cincinnati to drive the car to Wheeling. Mrs. Gorbey will accompany him from Cincinnati. They had a delightful trip and had no serious car trouble. At one point they paid 50 cents for a gallon of gasoline.

Elliott Northcott, chairman of the public service commission, who always keeps a big box of stogies in his desk, at Charleston, and usually has one in his mouth, which he seems to enjoy thoroughly, could use a pipe and smoke "long green" from his own farm if he wanted to. That he doesn't, can only be attributed to the fact that he doesn't want to for he grows in big quantities and excellent quality on his farm near Untington in Cabell county. Wednesday, he went to Huntington and sold his crop, which amounted to 10,000 pounds, on the market there.

Passengers aboard the incoming rail-road trains were scared away from 100 pint bottles of whiskey they were importing from out of state point Friday night at the Clarksburg station, by the sudden appearance of J. J. Tenny, deputy state commissioner of prohibition, and John Siers deputy sheriff. Strangely enough, none of the aban-

## SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it. Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Cardui in your case and 64-page book, "How Treated for Women," in plain wrapper. N.C. 124

## TO SKATE OR SWIM? THAT'S A PUZZLE

MRS. JULIAN GERARD

Will a young person who wears a skating-swimming costume, the very newest thing of the kind, go skating or a-swimming? Mrs. Julian Gerard of New York, who wears the dual costume, settles the problem by just promenading on the beach.

done liquor was labelled, its owners deciding to take chances. Some of the liquor was taken from the evening accommodation train from Parkersburg and some from the Short Line passenger train. It was all taken to the basement of the county jail.

Joshua Proudfoot, 83, died Monday on the farm near Belington, Barbour county, where he spent his entire life. He was married three times and was the father of 20 children. Nearly 100 years ago, Mr. Proudfoot's father, Oliver Proudfoot, came to Virginia from Londale, Scotland, settling on the farm where Joshua Proudfoot was born. He was known as the first settler of West Virginia, and for many years the closest village to his farm was Wheeling. The son and father remained on the farm where the father died 42 years ago at the age of 95. At the outbreak of the Civil war, the Proudfoots took their stock and went into the Allegheny mountains, where they lived until the war was over. They returned to the farm after the war and rebuilt the property which had been ravaged by warfare.

The governors of West Virginia, Virginia and Maryland have been invited to attend the celebration at Shepherdstown on July 4, of the anniversary of the first steamboat ever seen on the

## THE HEART

## How It Acts in Every Day Life

The human heart, in a healthy man weighs but eleven ounces. It beats from long before birth until death, in an average lifetime, about seven million times, allowing seventy beats to the minute. Every twenty-four hours this slight organ performs labor equivalent to lifting a ton of material slightly feet into the air. If the blood becomes poor, and filled with poisons from diseased kidneys, the heart is not only starved, but poisoned as well. It soon becomes exhausted and unable to meet any extraordinary demand which may be made upon it. Supply pure blood; get the kidneys to working; tone up the feeble stomach! Dr. Pierce's Golden Medical Discovery purifies the blood, relieves the kidneys and tones up the alimentary canal. Give the heart the food it needs and it will continue to work till the natural end of life.

Bumpass, Va.—"Before I commenced taking Dr. Pierce's medicines I suffered with pain in my shoulders, head and back, and had palpitation of the heart. I could hardly get up. Was in bed nearly all the time. I took Dr. Pierce's Medical Discovery and Favorite Prescription. I soon began to feel much better and could visit around in the neighborhood. I owe it all to Dr. Pierce's remedies. Would advise anyone thus afflicted to use 'Golden Medical Discovery' and 'Favorite Prescription.' I also took the 'Pleasant Pellets' with good results."

"I thank Dr. Pierce for his medicines and kind advice, and am glad to hear from him."—Mrs. SEANE E. SIMS, R. F. D. 2, Bumpass, Va.

The modern improvement in pills—Doctor Pierce's Pleasant Pellets. They help Nature, instead of fighting with her. Sick and nervous headache, biliousness, constiveness, and all derangements of the liver, stomach and bowels are prevented, relieved, cured.

Potomac. On July 4, 1788, James Ramsey, an associate of George Washington, sent the little steamboat he had invented, up the river at Shepherdstown, at the rate of four miles an hour before an admiring and cheering multitude. A monument to Ramsey's memory will be unveiled at the celebration.

C. E. King, of Baltimore, and Engineer Pollard, of Toledo, arrived at Shepherdstown last week and are figuring on machinery plans for the 500 barrel plant which it is Mr. King's intention to start in the old brewery at that place. As soon as the machinery is planned, Mr. King will start alterations on the building.

J. H. Stewart, who has the reputation of being the best and squarest builder of steamboat yaws and skiffs on the river, has been busier than ever lately, says the Point Pleasant State Gazette. He has just finished a fine lot of service yaws for the government which were delivered last week, three to Dam 18, three to Dam 20, three to the Bellville Dam, three to McMechen Dam, and two to Ambridge Dam, making 14. These yaws were all inspected before painting by Capt. C. Reynolds, the supervisor of Lock 11, who does all the inspecting of ship carpentering in the district for the government, and he pronounced them A-1. Stewart has also built a large number of yaws for individuals who have been expecting a flood this winter, and at this time has not had time to build his winter stock that he carries for the convenience of flood sufferers in this vicinity.

## BEST LIVER AND BOWEL LAXATIVE FOR FAMILY USE

"CASCARETS" REGULATE WOMEN, MEN AND CHILDREN WITHOUT INJURY.

TAKE WHEN BILIOUS, HEADACHY, FOR COLDS, BAD BREATH, SOUR STOMACH.

Instead of nasty, harsh pills, salts, castor oil or dangerous calomel, why don't you keep Cascarets handy in your home? Cascarets act on the liver and thirty feet of bowels, so gently you don't realize you have taken the cathartic, but they act thoroughly and can be depended upon when a good liver and bowel cleansing is necessary—they move the bile and poison from the bowels without griping and sweeten the stomach. You eat one or two at night like candy and you wake up feeling fine, the headache, biliousness, bad breath, coated tongue, sour stomach, constipation, or bad cold disappears. Mothers should give cross, sick, feverish or bilious children a whole Cascaret any time—they are harmless and safe for the little folks.

## Krew-Pina is a Simple Remedy.

Krew-Pina does not depend on dangerous drugs or powerful poisons for its merit. It is a combination of simple, old home remedies prepared according to a new formula. It has given wonderful results in the treatment of diseases where there is any congestion. Krew-Pina relieves coughs, colds and croup and prevents pneumonia if used in time. Useful in the treatment of stiff neck, rheumatism, tonsillitis, pleurisy, asthma, sprains, neuralgia and muscle soreness. ## Only Seven Days More to Take Advantage of the Low Prices in the

## February Furniture Sale

Manufacturers continue to raise prices—they are going higher! higher!

In the face of raising cost of production and consequent raising prices at the factories, do you not think it would be a pretty good move on your part to come in and see what this Sale is made of?

As an exhibition of the best Cabinet work it is something of a wonder. As an opportunity for buying good furniture at prices not to be quoted again in probably a long time it has a meaning such as no sale ever had for every home in which anybody takes a real interest.

If people really understood the conditions of the Furniture Market today, we doubt if there would be any furniture left with us at the end of the sale. Prices are now 10 to 50% less than the old low prices would be. The average saving is a fourth. Fourth and Fifth Floors.
